

We need your HELP

The Sprint Racing Committee are looking for people and ideas to increase the overall enjoyment of the National Regatta competition weekends

You may well have noticed that the NWSC are laying on special Saturday evening meal + drink deals in the Bar this year. Where in addition to food & drink, in April, there will be the opportunity to meet some of Canoeing's Olympians followed by a specially tailored Sprint Racing Quiz.

Find out just how much you do know about our sport, plus the chance to win a great prize.

We would like to be able to continue throughout the regatta season with a mix of social events but, as ever we need your HELP: both for ideas and people to help turning those ideas into reality.

Can you, or do you know of someone in your club that can lend a hand?

Please either email Cathy Wynne, secretary Sprint Racing Committee on secretarysrc@yahoo.co.uk

Or speak to David Brown (Elmbridge CC) during the regatta weekend.
